## Foxhunting Inventory

Once a year, in September, with the publication of the official roster of the Masters of Foxhounds Association of America, we take stock of organized foxhunting in the United States and Canada. By comparing the roster with those which have preceded it, we note new packs, changes in status and in hunt staffs, and (alas) the hunts which have had to give up. The comparison this year is made all the easier because the roster is printed in one section in the middle; those who wish to preserve it separately have only to slip it out of the staples which bind the entire issue together.

Elsewhere in this issue (p. 32) appears a recent appraisal by "Loriner" of present-day British foxhunting, complaining that it has ceded its rightful precedence as the premier sport of the countryside. He also says: "People hunt increasingly furtively, almost as if they are a little ashamed of it." Since "the leaders of the foxhunting world have adopted an attitude of almost excessive reserve -- foxhunting now often lacks forceful leadership and -- an articulate entity."

We cannot really claim that foxhunting has ever been the premier sport of the countryside in Canada and the United States. Because they were settled and developed on a frontier basis, the fish and game in our countries has always been held to be the property of the public,

## The Chronicle of the Horse

rather than the property of the landowner as it is in Britain and the European continent. Consequently shooting and fishing have been and continue to be the premier sports of our countryside.

"Loriner's" second comment is equally applicable on this side of the Atlantic, however. Even our most dedicated foxhunters have a tendency to be apologetic and somewhat furtive about their sport. The myth that foxes destroy quail has been exploded by every scientific study on the subject made by our State and Federal Game Commissions; yet almost never do foxhunters go to Gun Club meetings in order to hammer home these findings. In many sections of the country there are laws declaring the red fox to be a game animal (rather than vermin) and prohibiting its

## Disappearance of the Lexington Line

Dear Sir:

Mr. Hewitt's editorial on sire lines is, indeed, most interesting.

Mr. Hewitt mentions the Lexington sire line. One of the finest gentlemen I ever knew was a Confederate veteran, who, like Lexington, was a native of Fayette County, Kentucky. This man was one of Morgan's Men -- one of General John Hunt Morgan's cavalymen. Throughout the war he was mounted on sons and grandsons of Lexington, and for fifty years after the War (and when he actually had no use for them) he owned mares tracing back to Lexington. Finally the day dawned when the last of these could not be gotten in foal. Lamenting the passing of the Lexington

## Better Than Salt Water Bathing

Raleigh Burroughs

The Nairobi Trio was a brilliant instrumental combo born in the inventive mind of Mr. Ernie Kovacs. Those who have nothing better to do than watch television programs know that Mr. Kovacs' comedy was not of the cut-and-dried school. It featured the unusual, and the Nairobi Trio was as unorthodox as a group of musicians can be. To the casual observer, Mr. Kovacs' band was made up of three talented gorillas, as the outfits were realistic enough to fool anyone but an amorous anthropoid.

The observer who wasn't too casual would conclude that, in all likelihood, men were inside the gorilla suits.

Whatever, or whoever, was playing the instruments gained national fame through Mr. Kovacs' frequent presentations, and the Trio was hailed by music lovers everywhere.

Therefore, whenever bright new combinations of harmony appear upon the scene, the Nairobi Trio is used as a measuring stick.

"Better than the Nairobi Trio," could be considered damning with faint praise.

"Worse than the Nairobi Trio" is not praise at all, but that notion flashed through the minds of partying visitors the night before the United Nations Handicap at Atlantic City.

What made the notion flash through minds was the performance of the Atlantic City Off-Track Off-Key Quartet. This fearsome foursome, three tone-deaf tenors and a male contralto, might have been the road company of the Nairobi Trio if they had been gorillas and were able to play instruments.

### More Lady Appeal

True, the members of the AC O-T-O-K Q were handsomer than the gorillas, but they lacked the ability to handle the fine nuances of tone that marked the recitals of the jungle creatures.

Fortissimo they had.

It is a tradition of the Turf that any track staging a big race on a Saturday will hold a big party on the eve of the event. A fellow who plays the circuit can live well. If he can store up enough in his cheek pouches he never has to buy a meal.

Frequently, the entertainment at such gatherings is voluntary and not always of the high standards of the viands and

potables.

The Atlantic City Off-Track Off-Key Quartet was inaugurated at an A.C. party and this year enjoyed its third running.

### Fingerprints Not Available

It is possible that the members of this musical society would prefer to remain anonymous, but the only way to break up crime is to bring it out into the open so their names will be revealed here.

They are: Mr. Lou Cunningham, Atlantic City publicist, vocalist and director; Mr. Palmer Heagerty, of Triangle Publications, lyricist and director; Mr. Frank Fiore, Atlantic City's chairman of the board, composer and director; Mr. Joe Hirsch, also of Triangle Publications, lyricist, composer, vocalist and director.

As the "Morning Telegraph" and "Daily Racing Form" (Triangle Publica-

tions) own half of the voting stock in the Quartet; one of the renderings was "You'll Have To Learn to Read the Telegraph". This, I am told is a very fine number, but it is impossible to tell just by listening to the singers.

The Quartet's offerings were enthusiastically applauded and it must be said that they reacted more graciously than Mr. Kovacs' gorillas did.

The loud approbation of the audience had a disastrous effect, though - it brought on encores.

Nevertheless, the efforts of the group added a fillip (as Judge Hatton would say) to the proceedings. Anyone desiring a fillip should remember this.

It is worthy of note, that Dr. Leon Levy, president of the Atlantic City Racing Association and genial host, got up to leave at the time of the third encore.

### Others Left Earlier

Some others had not stood upon the order of their going.

Nevertheless, the efforts of the Quartet added a fillip (as Judge Hatton would say) to the proceedings. Critics said the team would be all right if it worked out together more; and it was voted by all that the Off-Track Off-Key boys were truly at their best when eating and drinking.

### Belmont

The New York Racing Association staged the 21st running of The New York Handicap at Belmont Park on Monday, Sept. 11. It was a one and three-eighths miles turf race for 3-year-olds and upward with an added value of \$25,000. Eleven owners of grass performers thought their charges had a chance at some of the added money.

Jockey H. Gustines on Milton Ritzenberg's Wise Ship went into the stretch in second place, a nose in back of Mrs. S. C. Clark, Jr.'s Shield Bearer which led up to that point; Shield Bearer gave way in the drive and wound up fourth. Wise Ship went on to nose out J. J. Fendrick's Art Market, the favorite, for the victory, with Pine Tree Stable's Nasomo taking third. Wise Ship set a new American course record of 2.14 for the 1 3/8 miles. Bell Hop set the previous record of 2.14 3/5 in 1959.

Wise Ship is a 4-year-old bay gelding,

by Sky Ship-Worldly Wise, by Bimelech, bred by North Hill Farm (M. Ritzenberg). J. Byers trains the gelding. His take for the winning effort was \$19,435 and boosted his career earnings to \$130,049.

### The Gazelle

The 66th running of The Gazelle highlighted the racing program at Belmont Park on Sept. 13. A one and one-eighth miles, \$25,000 added, handicap for 3-year-old fillies, it drew a field of eleven.

Mrs. Whitney Stone's Shimmy Dancer upset the dopesters by winning handily; her margin of victory was two and one-half lengths over F. W. Hooper's My Portrait. O. Phipps' Funloving was a nose behind My Portrait to finish in the show spot and six lengths better than C. V. Whitney's Counter Call, the fourth filly to finish. Darby Dan Farm's Primonetta, the odds-on favorite came in fifth. The winner ran the 1 1/8 miles in 1.49.

Shimmy Dancer is a grey daughter of

Native Dancer-Shimmer, by Flares, bred by Mr. Whitney Stone. Tom Waller trained the filly for her first winning stakes performance and M. Ycaza was in the irons. Shimmy Dancer netted \$18,752.50 for her connections.

### The Futurity

Only five two-year-olds put in an appearance for the 72nd running of The Futurity at Belmont Park, Sat., Sept. 16. All of them carried 122 pounds in the six and one-half furlongs race with a \$75,000 added value.

An outsider in the betting, Christiana Stable's Cyane, (Mr. & Mrs. Harry W. Lunger) M. Ycaza up, won in a drive, by a neck, over G. D. Widener's Jaipur. A head in back of Jaipur was Meadow Stable's even-money favorite Sir Gaylord, which finished six lengths in front of Mrs. Adele L. Rand's Green Ticket, the fourth colt to finish. The fifth starter, H. P. Headley's Jake trailed Green Ticket by 12 lengths.

Cyane is a bay colt, by \*Turn-to-Your Game, by \*Beau Pere, bred by the late Mrs. G. L. Harrison. H. S. Clark is his trainer and the victory added \$85,650.50 net to Cyane's earnings. The winner's time for the 6 1/2 furlongs was 1.17 1/5 over a fast track with cross wind blowing.

### The Broad Hollow

The \$16,750 Broad Hollow 'chase, first of the important fall infield fixtures lost much of its dramatic appeal when John Schiff's \*Muguet 2nd, champion pro tem of the brush horses thus far, and top weight at 166 lbs., fell at the fourth, and several fences later, G. H. Bostwick's Tuscarora under 159 lbs., and challenger for seasonal honors, made a bad one and bounced his rider off for a bone rattling fall. These casualties reduced the field to four, but the end result left experienced observers with the feeling that another young brush horse was going to be tough in the forthcoming, Brook, Grand National and Temple Gwathmey 'chases.

Harry Love's lightly raced Peal, a strapping big son of \*Hunter's Moon IV out of Golden Bells, winner of his previous two starts at Delaware Park, carried Joe Aitcheson to a smashing record breaking score. Winning by four and a half lengths with something in reserve, and with an impost of 147 lbs., he pulverized the former mark of 3:55 2/5, set by \*Chufquen only a few weeks ago, to hang up a new record of 3:52 flat. The runner-up, Negocio, carried a whispy 132 lbs., and in this race was handled by Albert Foot because of the inability of Paddy Smithwick, his regular rider, to make the weight. Ten lengths away, Hustle had no argument for third, with Independence a well beaten fourth and last.

Appearing to run and jump better, Negocio went to the front immediately, and under a relaxed ride from the usually busy Gaul, the Shawnee Farm fencer set a swift pace and led by more than daylight until nearing the last fence on the far side. Aitcheson who had rated his mount off the pace until nearing this point, was making a bid for the lead when he bobbled here. Recovering well, he sent Peal after the pacemaking Negocio around the turn, headed him and then drew clear bending into the front side for the final jump. Taking this one well, Aitcheson hit his mount a few times, as Negocio responded willingly to Foot. The pair closed the gap slightly, and for a brief second or two gave the impression that a stretch duel was in the making. However, one or two more applications of the whip and Peal drew off decisively, permitting Aitcheson to again take hold of Harry Love's homebred. Hustle and Independence were in a contending position and were only four or five lengths off the lead until rounding into the far side the second time. When Aitcheson started to move on Negocio, the first mentioned pair were unable to keep up, and they were a well beaten third and fourth as previously mentioned. In the winners circle after the race, the presentation to Harry Love was made by Kent Miller, of Elkridge fame.

### \*Kampina Wins

Earlier in the week, Allison Stern's entry of \*Kampina and Red Circle battled it out through the stretch to take first and second in that order in a mile and a half hurdle for three and four-year-olds. Mrs. Ogden Phipps' Highland Chief showed a good performance to be third and outlasted Harbor View Farm's Stev-rullah which followed Highland Chief over the line a length and a half further back.

### \*Sir Patsy Wins Claiming Race

Dropping down into a claiming race, the first since he was claimed at Saratoga, Mrs. Marion Frankel's \*Sir Patsy was much the best on Weds. Sept. 13th. Ridden by Joe Aitcheson, the six-year-old followed the pace setting Podarces until bending into the homestretch. The latter, under Paddy Smithwick, went to the front almost at once, and while running evenly, set a moderately fast pace. Coming around the final turn, Smithwick still seemed to have a lot of horse under him, and he held the lead easily as Aitcheson furiously called upon the eventual winner. However, once headed as the pair neared the final

#### Manly Steeplechase

Fencing flawlessly in his 2nd start over brush jumps, Alfred H. Smith's Me Broke pleased a majority in the gathering of some 7,000 aficionados by capturing the 40th running of the Manly Steeplechase Handicap at Fair Hill, Md., on Saturday, Sept. 16. The race was one of 6 on the 2nd and final program held on William du Pont, Jr.'s Foxcatcher Hounds hunting estate for the benefit of the Union Hospital in adjacent Elkton.

Handled adeptly throughout the 2-mile trip over 14 brush jumps by Joseph L. Aitcheson, Jr., son of the trainer, Me Broke ran 2nd until approaching the 12th obstacle. The early pace was set by Randolph D. Rouse's \*Easy Timer, who gave way to Lord Mike, now the property of Mrs. M. G. Walsh, over the 8th jump. After nearly tumbling over the 7th jump, Lord Mike under Thomas Walsh, led until the 12th, where Me Broke went to the front with a 3/4-length advantage.

## The Chronicle of the Horse

Lord Mike pressed the eventual winner until the final jump, where George L. Ohrstrom, Jr.'s \*Doural came from 4th to be 2nd over the obstacle, 1 1/2 lengths behind Me Broke and a 1/2-length in front of Lord Mike. Holding his advantage in the stretch, Me Broke coasted under the wire to score by 2 lengths in 4:02 4/5. Under a drive that came too late from William H. Turner, Jr., \*Doural gained 2nd money, 3/4's of a length ahead of Lord Mike. Tiring after setting the early pace, \*Easy Timer finished 4th. Harry M. Rhett, Jr.'s Port Call and Jr. Jim, also the property of owner Rouse, completed the finishing field as named. Mrs. Ogden Phipps' Management was a starter but was pulled up by A. P. (Paddy) Smithwick after trailing over the 12th jump.

Transplanted from Pimlico, the Manly carried a gross purse of \$3,855 and Me Broke's winning effort earned a gross of \$2,630 for his popular owner from Upper Marlboro, Md. In his debut over brush on the preceding Saturday, the 4-year-old gelding my Blow Me-Miss Arctic led for most of the journey in the Fair Hill Steeplechase to finish 2nd to C. Mahlon Kline's \*Bugle Call 2nd. It was the 2nd triumph over obstacles for Me Broke, having broke his maiden in a hurdle race during the Virginia Gold Cup races at Warrenton, Va. in the spring.

#### Timber Race

A field of 7 cross-country performers contested the Cecil County Steeplechase, hunt racing's richest timber test with a purse of \$2,500. Now sporting the silks of Bliss Flaccus, Trout Line made his autumn debut a winning one by registering a 12-length victory over Mrs. William D. Hall's Full Stop. Favored to win after his triumph on the preceding Saturday, William E. Schlusemeyer's Mainstay was 3rd after going lame in the final stages of the 3-mile trip over 16 timber obstacles.

Although Trout Line displayed fleetness, by leading over all but the initial obstacle, his jumping ability left much to be desired. Flying at the 7th fence he removed the two top rails and over the 10th it looked like he was through when his nose touched the ground in a bad landing. However, his rider, Ronald B. Houghton, persevered and stayed with the flying timber-topper.

Full Stop ran 2nd to the eventual winner until the 10th fence, where Mainstay took over the chore of chasing the leader. The latter was 2nd over the 16th and final fence but weakened with lameness in the stretch to be 3rd at the wire, 3/4's of a length behind Full Stop. Trained by Sidney Watters, Jr., who saddled the same owner's Simple Sampson to win the spring edition of the Maryland Hunt Cup, Trout Line chalked up his 1st victory in a sanctioned timber race in 5:59 2/5 over firm turf.

The day of sport opened with a pair of flat races and each event attracted 14

### Fair Hill Steeplechase

What looms as an auspicious autumn session of hunt racing got under way on Saturday, Sept. 9, with the 22nd annual meeting sponsored by the Cecil County Breeders' Fair at Fair Hill, Md. Operating for the benefit of the Union Memorial Hospital in adjacent Elkton, the 1st of 2 Saturdays of racing attracted some 7,500 spectators, the largest gathering since the sport was resumed following World War II.

The highlight of the 7-race program was the 18th running of the Fair Hill Steeplechase and C. Mahlon Kline's \*Bugle Call 2nd found little trouble in registering a 4th victory in the 2-mile handicap for his Ambler, Pa. owner.

A field of 9 went postward and 8 contested the issue as Norman P. Bate's Lord Mike, winner of last year's renewal, wheeled at the break. Responding to Joseph L. Aitcheson, Jr., Alfred H. Smith's Me Broke went to the front with Samuel G. Dixon's Pine Shot in attendance. The latter followed Me Broke for 4 brush jumps and dropped from contention, as Harry M. Rhett, Jr.'s Port Call moved up to challenge the leader.

Never far from the pace, \*Bugle Call 2nd picked up Port Call's challenging position as the field headed for the final trio of 14 brush jumps. Unable to open up

a commanding lead, Me Broke came back to \*Bugle Call 2nd in the final stages and the latter led over the final jump by 3 lengths. Mildly urged by Edwin Deveau in the stretch run, the 7-year-old English-bred gelding crossed under the wire 3 1/2 lengths in advance of Me Broke. The latter held an 8-length advantage over the Grandview Stables' \*Kandy-Sugar, ridden by A. P. (Paddy) Smithwick. Making his 1st start since he ran on the flat last December, Randolph D. Rouse's \*Easy Timer was 4th, 6 lengths in the wake of \*Kandy-Sugar.

Running over firm turf and shouldering the top assignment of 156 pounds, \*Bugle Call 2nd recorded 4:04 for the journey and picked up \$2,680 from the purse with a gross value of \$3,905. Owner Kline also gained a one year holding of the Nimrod Vase, a beautiful perpetual trophy presented by the late W. Plunkett Stewart, Mr. Kline retired the former trophy when Gridiron gave him a 3rd triumph in the race in 1959. Previously the popular owner-breeder captured the event with Whaddon Chase in 1939 and Astronomer in '52.

### Mainstay Wins

Returning for a fall campaign in fine fettle, William E. Schlusemeyer's Mainstay found little trouble in winning the

## The Chronicle of the Horse

Trouble Maker, a 3-mile test over 16 timber fences. Rated 3rd until the final stages by Joseph L. Aitcheson, Jr., Mainstay permitted Mrs. William D. Hall's Full Stop and T. J. Albert, Jr.'s Clean Home to alternate most of the pace.

Reaching the front-runners over the 14th fence, Mainstay moved to the fore and cleared the 16th and final fence 3 lengths in advance of Mrs. Virginia M. Duvall's Valley Hart, who was making a belated move. Drawing away in the stretch run as Valley Hart tired badly under rider-trainer James Hruska, Mainstay went on to score by 4 1/2 lengths. Passing the fatigued Valley Hart in the stretch, Full Stop, under amateur rider Dwight Hall, gained 2nd money, 8 lengths in advance of the 1960 timber racing champion, who was making his 1st start since winning the Middleburg Hunt Cup in April. Earl V. Wilhelm's Weeper's Date, Mrs. Wilbur Wood's Latin Lancer and Clean Home completed the finishing field as named.

A pair of casualties were registered during the running when Marshall K. Jenney's Takeanip fell over the 2nd fence and Samuel R. Fry's Melbroke came down over the 7th obstacle. The riders walked away from both mishaps, however, Takeanip broke a leg in the fall and was painlessly put away.

In chalking up his 4th victory of the season for his Warrenton, Va. owner, Mainstay picked up 3 points to lead the United Hunts Racing Association's timber division awards with a total of 14 points. He performed beautifully and negotiated the 16 fences and 3 miles of hill-and-dale country in 6:07 1/5 as his breeder and former owner, Stuart S. Janney, watched from the stewards' stand.

### 17 In First Race

The excellent day of sport on William duPont, Jr.'s fox hunting estate opened with a 7-furlong turf race and a bulky field of 17 contested the issue. Assuming command soon after the break, Richard W. Trapnell 3rd's Milky Whey held sway over the group of maidens to just outlast C. Mahlon Kline's Are Customer by a scant neck. Mrs. George P. Greenhalgh, Sr.'s \*Djainette was 3rd 13/4's of a length behind the embattled leaders. Ridden by Albert Foot, who was destined to ride a triple during the day, Milky Whey graduated from the maiden ranks in 1:30 1/5.

A field of 10 contested the Cherry Hill, a 1 1/16 miles event over the turf. Chalking up his 1st triumph of the year, Mrs. John R. Whiting's Hill Farmer came from 6th in the field to close with a rush, defeating John P. Kulzer's Haddecord by a nose on the wire. Tiring after setting most of the pace, C. Mahlon Kline's Taras First was 3rd, 2 lengths in the wake of the leaders. Having failed in 6 previous attempts this year, the winner ran a game race under Harold Brown in 1:50.

#### THOROUGHBRED OWNERS AND BREEDERS ASSOC., INC.

Christopher T. Chenery, heading the Thoroughbred Owners and Breeders Association, Inc., (a merger of the American Thoroughbred Breeders Association and of the American Thoroughbred Owners Association), has established annual dues at \$200 plus an additional payment, not to exceed \$1,000 at the rate of \$1.00 per month for each Thoroughbred horse owned by the member which is two years old or over. The first major project of the Association, in the words of Mr. Chenery, is "to make an investigation of the impact of a horse running at full speed on different kinds of tracks, with varying amounts of cushion and with different moisture content, and come out, if possible, with some standard to be recommended."

#### ARLINGTON-WASHINGTON FUTURITY WILL BE WORLD'S RICHEST RACE

A major and spectacular revision of the 1962 Arlington Park-Washington Park program for two-year-olds will produce the world's richest race next year, the \$400,000 gross Arlington-Washington Futurity, it was announced by Mrs. Marjorie L. Everett, executive vice-president.

Raised to \$150,000 added, the single and ultra-lucrative Futurity will reward the winner with approximately \$200,000. Similarly, a record \$75,000 will go to second; \$50,000 to third, and \$25,000 to fourth. No other race in the world will carry such high-money awards.

Webb A. Everett, Arlington-Washington director of racing, also revealed other startling departures from normal conditions of stakes events:

1. An additional \$10,000 will be awarded to each of the original nominators of the first four horses to finish, a total of \$40,000 to be paid exclusively to nominators.

2. All supplementary fees (\$25,000 each horse for the '62 Futurity, highest in racing) will be divided equally among all original nominators who start, excluding the winner.

"This is basically a nominators' race," Everett explained. "By establishing this high supplementary fee, we not only protect the original nominators who have supported the race from the beginning, but the conditions provide that they will be the only ones to share in the supplemental award if they start a horse.

"For example," he added, "should there be a supplementary entry, all other starters - except the winner - in all probability will be returned more than they paid in nominating, eligibility and starting fees.

#### EFFECT OF \$100,000 RACES

In a recent editorial in "The Blood-Horse", J. A. Estes lists the 42 races run under stakes conditions in 1960 with gross values of \$100,000 and upwards. He notes that the gross value of such races for 2-year-olds was \$2,065,165 as compared with a gross value of \$1,488,350 for 3-year-olds. Races for 3-year-olds and up grossed \$2,357,377. Mr. Estes explanation of this disparity is that the tracks put up 81 per cent of the gross money in the races for each of the two older groups, but only 41 per cent of the gross in the stakes for two-year-olds.

#### ARLINGTON AND WASHINGTON PARK MERGE

At a recent meeting of the shareholders, the consolidations of the corporations operating the Arlington Park Jockey Club and the Washington Park Jockey Club near Chicago was approved. The two corporations will be merged into Chicago Thoroughbred Enterprises, Inc., with Mrs. Marjorie Lindheimer Everett, the majority stockholder, as president.

### ATLANTIC FILLY CONTEST

On the eve of the Miss America pageant conducted at Atlantic City, the Atlantic City racetrack staged a parade for the "Miss America Filly of 1961". The event was judged by Miss F. Wallis Armstrong Jr., past president of the Thoroughbred Horse Breeders Association of New Jersey; Sydney W. Glass of Grange Farm, West Chester, Pa.; and Earl S. Potter, steward representing the New Jersey Racing Commission. The winner was Lady Pampa (Hasseyampa-Lady Shopper), owned by the Boncrust Farm of Chris Devine, of New York City. Second went to Locust Hill Farm's War Rocket, third to John Tammaro's August Gift and honorable mention to Mrs. J. H. C. Forbes' Auntie Fox. The contestants were judged on conformation and general appearance. All two-year-old fillies were eligible.

#### Maiden Hurdle Race

The Christiana, a 1 1/2 miles test for maiden hurdlers brought out 10 hopefuls and at the conclusion Mrs. Lewis C. Ledyard's Julep Time was returned the winner. Leading over every hurdle, except the 4th in the flight of 7, Julep Time furnished Albert Foot with his 2nd winner, defeating Mrs. William C. Riker's \*Bampton Castle by 4 lengths. Closing well at the conclusion, C. Mahlon Kline's Arctic Flow was 3rd, just 3/4's of a length off \*Bampton Castle. Making a 2nd start over hurdles, the 5-year-old gelding was timed in 2:44 2/5.

Having won two previous races for outside owners, Albert Foot concluded his triple by winning a race for his contract employer, Mrs. Marion duPont Scott. Riding the home-bred Kamsin, Foot drove his mount from 6th in the early stages of the 1 3/4 miles hurdle handicap to catch the front-running Shining Bright over the 9th and final hurdle. Putting up his usual rousing ride in the stretch, the French-born chase rider moved Kamsin on to score by 2 1/2 lengths. Best of the balance, William S. Blakeley 3rd's Shining Bright was 2nd in the field of 8 starters. Riding C. Mahlon Kline's Cathness, Michael Wettach drove his mount from last to be 3rd, 4 lengths behind Shining Bright and a scant nose in front of Mrs. Cordelia Scaife May's December. In winning his 2nd race over hurdles and his 1st this year, Kamsin was timed in 3:04 3/5.

#### Photo Finish

The 2nd division of the Cherry Hill, a 1 1/16th mile turf test closed the program and it brought off a finish that almost resembled the triple dead-heat accorded the late handicapper, John B. Campbell. Leading for most of the journey, Thad-

deus R. Trout's Oil City had C. Mahlon Kline's Appointed Hour and the Rokeby Stables' Scarlet Feathers alongside at the conclusion. The trio of noses reached the wire together and the judges called upon the camera for support. After scanning the photo at length, Appointed Hour was declared the winner by a scant nose. Unable to separate Oil City and Scarlet Feathers, the judges named it a dead-heat for 2nd. Appointed Hour and Oil City were coupled as the Morris H. Dixon-trained entry. In winning his 1st race since breaking his maiden during the Rose Tree Fox Hunting Club's races last spring, the 3-year-old Appointed Hour, who was ridden by apprentice G. R. (Smoky) Gilpin, covered the trip in 1:48 4/5.

Iron Liege beating one of the best fields in Derby history

## H. A. "Jimmy" Jones' Greatest Moment in Racing

# "Iron Liege's victory in the Kentucky Derby of 1957"

"If you recall," says Calumet Farm trainer, Jimmy Jones, "our Gen. Duke was coming up to the race a red-hot favorite after his triumph in the Florida Derby, but was injured on the eve of the race. So we ran Iron Liege and won a real thriller."

Iron Liege is just one of many stakes horses who have benefited from daily Absorbine care. Mr. Jones goes on to say, "I use Absorbine to tighten up and cool out the legs of all our string."

Since 1892, a bottle of Absorbine has been standard equipment in the best stables, as an astringent, conditioner, and gentle antiseptic. Used either full strength or in a wash, Absorbine is consistently effective, yet safe. And no other liniment has Absorbine's fungicidal properties. The large, long-lasting bottle is still only \$2.50 at any druggist. Gallon size also available.

#### AMERICAN WOMEN OWN EUROPE'S BEST 2-YEAR-OLDS

The two best 2-year-olds currently racing in Europe are owned by two American women, Mrs. P. A. B. Widener of Philadelphia and Mrs. Parker Poe of Shawnee Farm, Harrodsburg, Ky. Mrs. Widener owns the American-bred Prudent (\*My Babu-Providence, by \*Eason), recent winner of the Prix Morny at Deauville, while Mrs. Poe owns the English-bred La Tendresse (Grey Sovereign-Isetta, by Morland), winner of the Molecomb Stakes at Goodwood and of the Lowther Stakes at York, the latter by 12 lengths.

## FROM ABROAD

## MCSHAIN BUYS EXPENSIVE COLT

Acting through his trainer, Vincent O'Brien, Philadelphia Mr. John McShain was in the market at the Newmarket September Sales. He is of course already well-known in England through the exploits of his big winners Ballymoss and Gladness, whilst he was also the previous owner of this year's Ebor Handicap winner, Die Hard.

The colt selected by O'Brien for Mr. McShain was a typical chestnut son of the exported \*King of the Tudors out of Isetta, the dam of seven winners including the brilliant La Tendresse, who is owned by American Mrs. Parker Poe and is without question the best juvenile in England. It was not until 9,500 guineas had been reached that he was knocked down to O'Brien's bid. P.T.-C.

## RECORD NEWMARKET SALES

With an aggregate of 602,325 guineas and an average of 2,198 guineas, the recent Newmarket September (formerly Doncaster) Yearling Sales established new records in both categories. 274 lots were disposed of in two full days selling.

Biggest individual purchaser was New York Cosmetics King, Lawrence M. Gelb. Acting through Paddy Prendergast, representative of the Anglo-Irish Agency who will train the yearlings, he bought nine lots at a total cost of 48,500 guineas. These included a colt by Never Say Die out of Papoose, a half-sister by \*My Babu to Ballymoss, who was secured for 11,000 guineas, and a brown colt by the very popular \*Nasrullah horse Princely Gift which cost 8,200 guineas, whilst a Crepello colt went to an 8,000 guineas bid. P.T.-C.

## VIRGINIA

## RED HANNIGAN TO CRESTONE FARM

Woodley Lane Farm's 10-year-old stallion Red Hannigan (\*Heliopolis-War Damsel, by Man o'War), will make the 1962 stud season at J. North Fletcher's Crestone Farm near Warrenton. A winner at 2, 3, 4 and 5, Red Hannigan won the Providence Stakes, the Roseben Handicap and the Bay Shore and Carter Handicaps. Among his winning offspring to date is Red's Handful, who set a new course record over the 1 5/8 mile turf course at Saratoga on August 19th, which is also an American record. Among his other winners are Mle, Roussel, Homeagain and Red Rita.

## Myopia 3-Day Horse Trials

### Ottershaw

Run concurrently with the Wofford Cup International Three Day Event, 25-27 August, near Hamilton, Mass., the competition for the Myopia Horse Trials Perpetual Challenge Trophy was designed by the U. S. Combined Training Association to afford experience to those not up to the standard demanded in the Wofford Cup; and yet take advantage of the supervised facilities made available through the generosity principally of Mrs. F. P. Sears and Messrs. Frederic Winthrop and F. R. Appleton, Jr. The Dressage Test (the 1961 "Open" Test of the U. S. C. T. A.) was judged by Major Stephen Bujnovsky and Mrs. Igor Presnikoff.

Almost the last horse to start, the experienced and versatile Thoroughbred, Hi-Hampton (A. Mackay-Smith) from Virginia, topped the opposition with a low score of 61.5 penalty points. Most marked were his regularity, freedom of gaits, accuracy and very correct transitions - truly all the requirements of the cross-country horse. A close runner-up was the black gelding from New Jersey, Kilkerry (D. Glaccum) with 64. It was probably the best test he has ever done, with considerable precision. He was handicapped by his mechanical execution of the movements, which forestalled any sort of freedom. Boston Cable (Noel Aderer) put up a performance noteworthy principally for its accuracy. The little Red Pepper (M. Page) as always gave a finished test, but in the framework of his short stride coupled with some restiveness. The eventual victor, a frequent Horse Trials competitor, Counter Point (Miss M. A. Brown) displayed considerable submission to his rider's demands, but no extensions to speak of, being hindered by a rather stiff back. On the other hand a very appealing sort was the elegant mare Virginia Dawn (Sam Birch). Displaying maximum obedience she gave a very neat performance. In fact, without the overtime and loss-of-course faults, she would have placed third.

Twelve of the twenty-seven starters did not measure up to the "passable" standard. Aside from any physical shortcomings, the basic problem is still that people believe they can ride a dressage test with their hands, quite forgetting that freedom of gaits, impulsion, suppleness and regularity all originate in the horse's quarters; without the use of legs none of this can come about.

The Speed & Endurance Test for the Myopia Cup, approximated conditions found in the usual Open Division Horse Trials standard. The five phases covered 9 1/2 miles, of which the Cross-Country measured 2 1/2. The speed required was less than Olympic, which made it possible for almost every horse to score maximum bonus points of (24). Two strong contenders for the Cup had the misfortune to lose their way on the Roads & Tracks phase: The well-known Trials' horse Eye Spring (Mrs. J. M. Rogers) and Firecracker (M. Antoniewicz). Both are very fast and undoubtedly would have come out on top. Another elimination was a local contender, Fortune Hunter (Neil Ayer) who missed a flag on the Run-In, after completing the cross-country course! The leading horse, Hi-Hampton traversed the course with speed and assurance until he came upon the Ski Jump at the top of the steep hill, which he turned down twice. As if this was not enough, he arrived lame at the finish, unable to continue. His demise enabled Kil-

kerry to take the lead with a clear round and some 41 bonus points: more credit to such a gallant horse to produce, even under the strain of exhaustion. Boston Cable, previously in a very strong position, failed to remain in contention by taking 60 jumping penalties. Red Pepper (M. Page) similarly was overfaced and at the end of this day dropped to 11th place. Counter Point, the "thick-set" bay from Maryland, on the other hand, appeared to thoroughly enjoy himself; earning maximum bonus points on both courses he moved into second place, a mere 3.7 points behind Kilkerry! Likewise the fleet Virginia Dawn (Sam Birch) moved up to third placing. This pair however had a fall on the steep hill just after the Ski Jump, but outside the penalty zone, and the sprained ankle sustained here by the rider was to give him trouble the following day.

A very fast go by Jade Wind for near maximum bonus was offset by 20 jumping penalties; on finishing, he really showed the effects of a fast trip. A similarly fast round was that of the experienced Torch (Mrs. K. R. Read) who, handicapped by a mediocre dressage score, improved her position considerably. The much-favored Game Cock (Luis Duenas) was out of the running by going off course after a most promising start. The local Sir Arthur (Ann Winthrop) fenced perfectly and could have done even better with more speed, but even so, he moved up to fifth place. A pair better known to Point-to-Point racing, here competing in Horse Trials for the first time, was Eastcor, a son of Cormac,

ridden by Eugene Weymouth. Though never in contention, this pair achieved maximum bonus on both courses, even though gathering jumping penalties. His rider's valiant, and ultimately successful efforts to negotiate the Splash, were undoubtedly helped by the use of his belt to which he resorted, having lost his whip! At the end of the day, only 15 horses were still in the running.

Using the same Stadium Jumping course, except for some of the heights and spreads, the Myopia Cup competitors did not fare as well. In the first place only 50% of the original starters were still in the running, and of these two had penalty-free rounds. With 3.7 points separating the leading horse, Kilkerry, from Counter Point, the crowd could well hold their breath and did: Counter Point entered first, turning in a very strong performance, the bay covering the course rapidly and with a certain aggressive abandon, for no penalties. Six horses along, Kilkerry's turn came. He would have to jump clean to match Counter Point and keep his position. However, he could not summon quite sufficient stamina after the previous exertion, and knocked two fences down for second place, giving the Myopia Cup to the schoolteacher from Maryland.

The third place Virginia Dawn, still full of running, gallantly carried her owner-rider Dr. Sam Birch without the sign of a refusal, even though, because of a broken ankle sustained in a fall the previous day, he was unable to give her any assistance, this accounting for 5 fences down which reduced them to 8th place. Even with 20 penalties, Torcha (Mrs. K. R. Read) moved up to third place, as did Sir Arthur (Ann Winthrop) with 20 points added, for a fourth placing. The

big bay gelding Jade Wind (F. G. Harting, Jr.) clearly showed the effects of the Endurance Test knocking down five fences taking himself out of contention. The imported Irish heavyweight, Blarney (Paul Cronin) covered the course in a most determined manner, probably not aware that three obstacles were lowered in the process, nevertheless securing sixth place.

### SUMMARIES:

1. Counter Point, Mary Alice Brown (2.5); 2. Kilkerry, Denis Glaccum (18.8); 3. Torcha, Mrs. Kenneth R. Read (49.2); 4. Sir Arthur, Ann Winthrop (56.5); 5. Silver Stream, Virginia Pearson (63.4); 6. ## June Fete

Despite its yearly conflict with Devon, the June Fete each year seems to make tremendous gains in the number and quality of its entries.

The Thomas girls - Hilda and Nell on Covert Boy and Tart, respectively - 'conditioned' their ponies at Devon, then came to the June Fete and swept both large and small division; the reserve awards in both sections went to seasoned campaigners Barbara Ellmaker and Terry Rudd.

Only double champion of the day was Richard Harris whose equitation form surpassed reserve Phillip Hellwig's - how nice to see boys winning for a change - and whose consistent Royal Mint was named best junior horse ahead of Alix Wetherill's hard-to-beat Shadow Tag.

Eileen Steiert turned in good performance after good performance in the working division for owner Mrs. James Godshalk aboard the latter's Miss Colony. At the end of the day Eileen proudly presented Mrs. Godshalk, the former Sally Liverside, with a well earned working hunter championship. Fencepost

CONNEMARA ONE DAY CH: Pogo, owned by Dr. D. Davis.

OPEN PONY CH: Court Jester, Robin Blench.

Entries from Iowa, New Hampshire and Pennsylvania were intermingled with those from Rochester and Geneseo at the annual Hideaway Stable Combined Training Event held in Geneseo, New York held under the sanction of the U. S. Combined Training Association. This was a competition with many new "firsts" in the Valley. There was a division especially for Connemara ponies, both purebred and halfbred, (this fact had been duly noted in the Irish Times); this was a first for an actual full fledged three day event, with the Jenny Camp, Intermediate and Open divisions in the Valley and the Open Pony division was a novelty in this area.

The competition was a climax to a two week course conducted by the well known Major Anatole Pierogorodzki, coach of the 1956 and 1960 Canadian 3 Day Olympic Teams. There were 22 students in the group who achieved much from this fine teacher. Not all competed in the event, but outside entries brought the total to well over the thirty mark.

The competition was a Harris family (owners of Hideaway) project and it was correct to the very last geranium. Young Stirlin Harris designed and built the stadium jumping courses and they were well done. A dummy reposing on a park bench, all to be jumped, caused the most interest among the spectators. Mr. Ed Harris was responsible to a large degree (with many suggestions from Major Pierogorodzki) for the cross country course and here again the jumps were solid and well made. When he wasn't riding in the course, Mr. Harris was measuring with his bicycle wheel equipped with a measuring device. He very nearly gave an elderly stable man cause for a coronary as he appeared one foggy dawn pushing the front part of the bike. The old gentleman blinked in bewilderment as Mr. Harris appeared over the horizon resolutely marching in the early morning light. Mr. Harris was immediately questioned as to the lack of the back half of the bike and was viewed with much apprehension until the explanation was made.

Two newcomers to the three day competition came away with the championship and reserve in the Jenny Camp division. Elwood Geissler, a Pennsylvanian, took part in the course and, promptly putting his knowledge to work, he won the dressage and stadium jumping. Mimi Clark had never ridden in this type of contest and did not win any particular phase, but picked up enough points to gain the reserve spot. Last year's winner, Sue Wilson, missed the reserve spot by three tenths of a point and placed third.

Young Jackie Harris won the Intermediate section with Sally Forth. Sibley Auchincloss, who did not ride in the training course, was reserve with a win in the cross country phase. Mr. Harris won the stadium jumping in this competition on his son's Mountain Guide with a brilliant round.

## The Chronicle of the Horse

A delight to watch was the Connemara division with a surprisingly good entry. Many of these attractive animals were ridden by adults and the performances were most impressive. Pogo, a four year old, owned by Doctor and Mrs. David Davis, and capably ridden by Iowa resident, Jane Taylor was champion. Jane came to the Valley to be an unmounted course participant. A happy change in plans got her together with Pogo for instruction and competition. Mrs. Charlotte Read, secretary of the American Connemara Society, was reserve with Toasty, a four year old stallion with manners and disposition to spare. Mrs. Read owns 16 Connemaras and has had many seasons of good hunting on them.

Unhappily the only two entrants, Mrs. Betsy Coester and Nancy Hamill, competing in the Open division, did not complete all phases (illness grounded Mrs. Coester for part of a day) hence no championship was awarded. Mrs. Coester, bound for the Wofford Cup, left with many well wishers in the Valley.

A very small entry in the Open Pony division, sponsored by the Genesee Valley Pony Breeders Association, was disappointing, but the young children riding an assortment of ponies were happy to be there. Robin Blench, on his attractive pony was crowned champion in this division.

## Alberta Light Horse Ass'n

The five-day ALHA show, which was officially opened by Calgary's Mayor Harry Hays, this year boasted a record entry list of 575 horses, and well-attended performances each day. Despite the preponderance of horse flesh, a number of classes still had to be cancelled due to lack of entries. Notable among them were all the Viking Pony and Standard Bred line classes. There was a pleasing number of junior participants, including a record number of 55 and 37 entries in the junior and intermediate showmanship classes respectively. The English adult-and-child pairs class was also well filled with 31 entries. To add to the success, a number of out-of-province and U. S. competitors graced the proceedings with their presence, including one entry from the distant state of Maryland.

Again this year the Al Azhar Mounted Patrol under the capable direction of E. M. Evans, captain, and Chas. Robertson, drill master, performed their intricate and well-executed drill during each evening program and also Saturday afternoon. The Patrol, organized only a few years, has gained quite a reputation for itself around the province. It is under the chairmanship of A. C. Rockley, president. Additional color was added by the 19th Medium Royal Artillery pipes and drum band, and three scarlet-coated members of the Royal Canadian Mounted Police. In addition, on opening night the various

# ANNUAL ROSTER of the ORGANIZED HUNTS OF AMERICA 1961 - 1962

## FOREWORD

WILLIAM ALMY, JR., Ex-M.F.H.

President - Masters of Foxhounds Association of America

The Organized Hunts of America experienced one of the most severe winters in many years this past season. In early December, cold and snow struck nearly every pack from the Eastern seaboard to west of the Mississippi, forcing them to drastically curtail, or wholly abandon, their activities.

The packs in the far South and West were certainly fortunate, for theirs were the only areas which were not affected, and where organized hunting could be continued throughout the season.

During March, the snows vanished, leaving most countries with such heavy going that little could be accomplished. The winter of 1961 must have set a record low in number of hunting days. We hope that this coming season will prove much more favorable for all.

Foxhunting received a great deal of publicity during the latter part of the season, due to the active interest displayed in the sport by our First Lady. It is unfortunate that, whenever a well-known and prominent person becomes identified with a sport, that sport receives the attention of unknowledgeable people. Under such circumstances its true character tends to be distorted. However, we feel the articles published on foxhunting will improve in the future.

We also feel certain that our sport will surely benefit by Mrs. Kennedy's participation. We wish her many happy and pleasant days in the field.

I do want to sound a note of warning to all Masters: your hunts will be considerably in the public eye in the years to come, and you must be careful to see that your country is run properly; that your hounds are always under control; and that your sport is conducted on the highest possible level at all times, to bring credit to yourselves, and to foxhunting as a whole.

Good Hunting!

#### CLEVELAND BAYS FOR THE ROYAL MEWS

Cleveland Bay stallions have been much used this season by hunter breeders as they have been for over a century and more of the bigger type of Cleveland horses is required for the Royal Stables. Lt-Col. John Miller, D.S.O.M.C., Crown Equerry, is to spend part of August seeing the Cleveland Bays in the hands of North Yorkshire farmers. He says that it is the wish of Her Majesty the Queen that Cleveland Bays should be used for the royal

coaches in preference to Dutch horses. The Crown Equerry has informed the Cleveland Bay Horse Society that whilst he much admires the quality shown by Cleveland's safety must always be the first consideration in buying for the Royal Mews. He therefore puts temperament at the top of the list of the many qualities for which he looks. Good looks and good action, he says, are also very important. It is interesting to note that so plastic is the Cleveland Bay breed that it can be moulded according to the wishes of man, and whilst being the best foundation of heavy-weight hunter breeding they have also been bought for the state coaches of every crowned head in Europe and for the ceremonial coaches of Eastern potentates. Their popularity in this connection has given rather a wrong impression - that they are coach horses. So they can be and are bred, but they are also the best general utility horses in the world, for the saddle, for the shafts, for the land, for speedy van work, and when crossed with blood, for the field.

### FOXHUNTERS

#### You're wonderful!

Last year many of you took my well meant suggestion. You went foxhunting in Ireland, stayed at Oaklands, not only enjoyed a unique experience, but also made it a very successful winter for the Cleeve sisters, Edith and Vera. For next season, let me repeat the formula for an unforgettable adventure: hunting with the Tipperary, Limerick, Kilkenny, Dunhallow, Scarteen, United; staying at Oaklands, Clonmel, County Tipperary, where food, service and atmosphere exactly fit the occasion. Get a few friends together and GO! Further information from Box N, The Chronicle of the Horse, Middleburg, Va.

### Foxhunting Show

For long the foxhunter has been depicted as someone loud, blustering, hearty, forceful. To-day this just is not true. Indeed, I would say that the leaders of the foxhunting world have adopted an attitude of almost excessive reserve recently.

Up to a point this is a good thing, but at the same time it means that foxhunting now often lacks forceful leadership and a strong spokesman; lacks most of all being what I will risk calling an articulate entity. People just hunt, in different parts of the country, increasingly furtively, almost as if they are a little ashamed of it. And so foxhunting has ceded its rightful precedence.

These thoughts are prompted, strangely enough, by the wonderful Game Fair at Weston Park. Look at the crowds that flocked there to learn and to watch and to compete, but most of all to meet pals and talk shop - fishing, shooting, retrieving, everything - everything except hunting, the one great country sport not represented.

### Hunting Lodge

Enjoy a few days hunting in Virginia staying in comfortable country house. Excellent cuisine and service. Good hunters available or bring your own. Terms. Weekend, weekly or monthly.

The Chronicle of the Horse

Rightly, you will probably say, hunting would be out of place at the Game Fair. How could it be represented, anyway? And maybe you're right. But why should there not be the hunting equivalent of the Game Fair?

Why should not foxhunters organize each year a great get-together? What a venue a Badminton or a Stoneleigh Abbey or Cirencester Park or a Copgrove Park or Wynnstay would make. What a vast course would muster.

But what would they do? you ask. How would it be organized? Surely a little initiative and imagination could answer that. A chance to compare all the different types of hounds, to begin with, an opportunity to have the real hound experts

judging an entry, aloud; judging horses, too, perhaps.

And what a fascinating display there could be of hunting history - you know the sort of things I mean, John Peel's horn, the Empress of Austria's saddle. There must be priceless hunting treasures lying around the great houses of England, never before collected together. An exhibition of sporting pictures, too. Horn-blowing competitions (much better in the open air). And why not a whip-cracking competition - especially for young people; they just cannot crack a whip nowadays.

The odd lecture, perhaps, on some of the many fascinating aspects of hunting, 'historical and "venerical"' (looks peculiar,

I admit, but consider the alternative). A display of the different Hunt costumes. Parades of hounds, demonstration of such mundane things (but not so mundane to the ordinary foxhunter) as feeding hounds, marking them, plaiting manes, thonging whips - cleaning breeches even, and so on.

Oh no, there'd be no shortage of material, and best of all there'd be a wonderful opportunity for a real, proper foxhunting get-together - Peterborough hound show multiplied by about 20!

Impracticable? I'm not sure. And it might go a long way to restoring foxhunting to its rightful position - the premier sport of the countryside.

## Horse Shows

Continued from Page 18

equestrian and breed groups participating in the show were each capably and colorfully represented by teams of four riders, including a smart four-some from the Calgary Pony Club.

Hillside Farms' Cool Breeze, under the guidance of youthful and talented Cecily Gage, made an almost clean sweep of the hunter classes. Cool Breeze earlier this year was named reserve champion hunter at the Calgary Spring Horse Show. Another Hillside Farms entry, Checkmate, ridden by Joyce Chesser, also turned in some scintillating course tours and grabbed a share of the reserve championship. Edmonton's Laura Lee, ridden by Laura Wilson, showed great promise as a green hunter.

13-year-old Palomino gelding Windy Lee, a perennial jumper champion fresh from his recent championship win at the Calgary Spring show, won again for Mac Glen Ranches and his veteran rider Doub MacDonald. 'Windy', as he is sometimes affectionately referred to, has definitely established himself as Calgary's favorite jumper with his now patented come-from-behind finishes.

A pleasant surprise in the jumper competitions was the performance of young Allister Shafto of Midnapore, Alberta, and his green jumper Grasshopper. The 16-year-old, who earlier this year with Maureen Mannix represented the Prairie provinces at the Canadian Pony Club national rally at London, Ont., took Grasshopper to a fine win in the 10-jump knock-down-and-out on opening night, beating out, among other established stars, the aforementioned Windy Lee. Another surprise incident of the show was the adult beginners jumper class on the final night. All ten of the entrants, who numbered some very familiar and well-known personages, were awarded a share of the first prize ribbon, after providing some enjoyably hectic and humorous attempts at the four 3-foot jumps on the course. You never know, one of them might come back next year and win the jumper championship, if determination still means anything.

Prominent in the Welsh Pony line classes was the E. P. Ranching Co. Ltd., of High River Alta., owned by the Duke of Windsor, copping both champion and reserve titles and in the process the championship trophy which they donated.

Although the show was officially brought to a close after the Saturday evening performance, there was an added attraction Sunday morning when a special challenge dressage class was conducted. There were 14 entrants with youthful Alice McGuckin of Edmonton on her fine model hunter-hack Rowdell showing the way by accumulating 102 points out of a possible 140. The class was presided over by a distinguished panel of dressage

arbiters, namely, Dr. Otto Bode of Edmonton, Mr. Mihaly Zichy and Mr. Zoltan Sztelho both of Calgary. All are former dressage champions. E.O.

## Impressions of the International Pony Competition American Team Beats British

Betsy Firey, Capt. U.S. Team

Sixty-four ponies met at Devon, Pa. on July 29th, to compete for the honor of representing the United States in the International Pony Competition with Great Britain. This competition was to be held at the British Timken Show at Duston, England, on August 23rd. Only riders 16 and under were eligible to compete.

The judges, appointed by the American Horse Shows Association, worked out a scoring system whereby 40% was to be awarded for conformation; 40% for manners, suitability and way of going at a walk, trot, canter and hand gallop; and the final 20% for performance over two fences. Each pony had to hack in its respective

division and to perform individually, executing a figure eight at a trot and canter, jump two fences, gallop and stop. By the end of the afternoon, six small ponies 13 hands and under and six large ponies 14.2 hands and under were selected for further training at Gladstone, N.J. under coach Gordon Wright.

We reported to Gladstone, home of the United States Equestrian Team, on August 7th and what a surprise we were in for during the next ten days. We quickly learned that we must convert our ponies' way of going to the British style, which called for a strong walk, an extended trot, and a slow collected canter. The ponies were to be on the bit all the time, which was quite a change for some of them. The air was soon blue with our expressions of futility, our feelings of inferiority and our coach's pet phrase of, "Don't just sit there and hope to God."

On Monday, August 14th, the team was cut to four small and four large ponies

## The Chronicle of the Horse

as follows: Small Ponies: - Mrs. C. C. Jadwin and Mrs. William Cox' Coed Coch Llwydrew, Clay T. Brittle III, rider; Frank H. Owens' Fancy, owner-rider; Mr. and Mrs. Kenneth Taylor's Gremlin's Delight, Frankie Gardiner, rider; Susan W. Burr's Wizard of Oz, owner-rider.

Large Ponies: - Mrs. W. Graham Boyce's Honey Dew, Betsy L. Firey, rider; Mrs. K. Taylor and Mrs. J. Mackay-Smith's Farnley Kohlrabi, Kathleen Watson, rider; Mr. G. W. Dixon's Cathy, Roddy Wanamaker, rider; Miss Terry Rudd's Hot Shot Kid, owner-rider.

It was not a case of selecting the eight best ponies, but rather the eight which, in the opinion of Mr. Wright and the AHSA, could best compete with the British on their terms in their own country. From that time on, it was strictly a team proposition and a great spirit of "one for all, all for one" developed.

### Reception in England

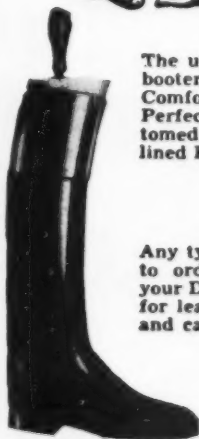

The ponies departed for London from Idlewild Airport in New York on August 18 at 7:00 P.M. All the riders were "nervous wrecks" as our ponies walked up that forbidding black ramp into the arms of a waiting Lufthansa Airliner. Only eight people were permitted to accompany the ponies. Consequently, all the riders joined by our wonderful chaperone, Mother Superiour and pal, Mrs. C. H. Coffin, boarded a Lufthansa jet, which we discovered was going to London via Germany. Visions of East Berlin, command performances behind the Iron Curtain and banishment to Siberia came into our minds. However, nothing worse than an extremely rough trip from Frankfurt to London developed.

We were housed in a delightful hotel at Windsor in the shadow of famed Windsor

Castle about twenty-five miles from London. The ponies were stabled at the Windsor Forest Stud. Our daily exercising, coupled with the now familiar shouts of "Don't hope to God," was interspersed with a wonderful round of sightseeing, arranged for us by our official hosts, Mr. C. Ronald Driver and Mrs. A. John Sellers, and what magnificent hosts they and everyone connected with the show, turned out to be. The British treated us royally.

As "D" day approached, we were all moved up to Duston. On route it was my good fortune to go with Mr. Wright and Mr. Driver to the Leuent Horse Show to get an inside look at how the British did things and I must say they did them rather well.

However, no one was prepared for the spectacle that awaited us when we arrived at the Timken Show. This was not a show as we know the meaning of the word. This was stupendous and breathtaking. There were two rings - the main one was a quarter mile oval surrounded by grandstands and floodlights. The magnificent grass was manicured like a putting surface, and beautiful flowers could be found everywhere. Our stables were out of this world. There were large sprays of red, white and blue larkspur outside each stall. The tack room that we borrowed from the U.S.E.T. gave an excellent appearance, and we even had a flag staff with Old Glory waving proudly over-head.

We all arose at 5:30 A.M. the morning of the show and went directly to the stables. The hustle and bustle of our warm-up preparations seemed to impress the British Press and officials greatly and many favorable comments were made. Our competition was scheduled for 9:30 A.M. We met the British team and there were many introductions, picture taking by T.V. and Movietone News. Finally the moment we were waiting for, the moment we had worked and trained for, actually arrived. Now we could, with all due reverence, only "Hope to God". The team went into a huddle, we all shook hands and vowed to do our best. There were three judges: Mrs. John MacDonald (U.S.A.), Major K. P. Wallis (G.B.), and Miss Irish Kellett (Neutral).

#### The Competition

First the small teams and then the large teams were judged for conformation. This was followed by each division performing at a walk, trot and canter. That was the so-called easy part. Next came the individual show. Each pony was asked to execute a figure eight at a trot and canter, jump two fences, gallop on, stop, back and then bow gracefully to the judges.

In the Individual Test one could see the difference between the American style and that of the British. In the figure eight, the U. S. Ponies executed a fairly tight circle with simple change of lead at a canter. The British, on the other hand,

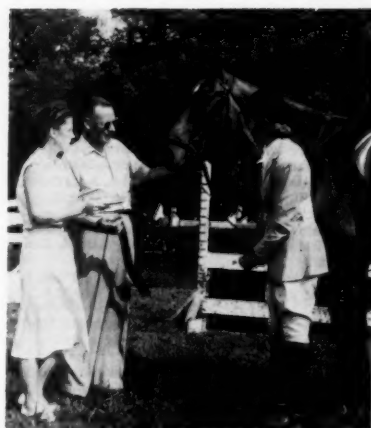

made an extremely wide circle with a flying change of lead at a canter. All the U. S. Ponies fenced well. The "Horse and Hound" magazine, Sept. 2nd issue, stated: - "It was here (in jumping) that the Americans soundly beat us." Finally, the U. S. Team all had fairly collected gallops with prompt stops, whereas the English team let their ponies gallop wide open and then brought them slowly down to a trot, then walk, then stop.

Who is to say which way is right. All I know is, that when the results were announced, the American team had won by a score of 13 to 9.

That night at 9:30 the teams got ready for the presentation of the cup. First, four of the Queen's Royal Household trumpeters rode into the ring (surrounded by thousands of people) and sounded a call. The United States team was led in by a Trooper of the Royal Horse Guard in full dress carrying the American flag, followed by the British flag and their team. We all formed a line in the center of the ring and it was announced to the public that the American team had won. Then all the lights were cut, one spot light shone on the Stars and Stripes, and the National Anthem was played. This was a stirring moment. We all felt proud to have represented the United States and to have won for our country. The Perpetual Trophy, which had been won by the British in 1959, was carried forward and I had the honor of receiving it from the Duchess of Norfolk on behalf of the U. S. Team. Then the individual champion and reserve were pinned. Champion - Wildest Dreams (G.B.) - Reserve - Coed Coch Llwydrew (U.S.A.).

With Cup in hand we proceeded to the barn where the British presented us with five bottles of Champagne which we promptly poured into the cup and we all celebrated.

After an exhibition on Saturday, the team returned to London where we shopped and rested until Tuesday morning, when we boarded the plane to come home. We bade farewell to the British and in eight hours we were back in the good old U.S.A. In my opinion, this was an experience without equal. It is something that the

team and everyone connected with the team will never forget. Our deepest appreciation goes to Mr. Wright, Mr. Blackwell (Secretary, A.H.S.A.), and Mrs. Coffin for making the trip, not only an extremely happy one, but an extremely successful one as well.

## Washington State Horsemen Jr.

The WSH Junior Show was held at the Parkland Rodeo Grounds. Tops among the blue ribbon winners was the flashy, big chestnut gelding, Officer Mac and his owner rider, Louise Jaquette. Their first victory was in junior hunters, a class of twenty-two entries. The second win was junior jumpers W.S.H. The jumpers performed well, and the faults were low in the initial round with three horses clean,

Officer Mac, Benna B with Stephanie Wagner and Sky's Impression with Karen Austermuhl. The jump off was tense and close though not too good, Sky's Impression gathered nine faults, Benna B eight and Officer Mac seven to win the class.

Susan Bachus was another two time winner. She scored a double victory by winning her equitation class and the saddle ponies, pet type with her little Quarter horse, Rhythm.

Melissa Best and Royal Belle which have accounted for so many hack classes this season took the blues in English pleasure horse and bridle path hack, hunter type. Their well cadenced performances and smooth transitions are a joy to watch.

Sharon Payson put up a fine ride to win the Hunt Seat Medal from a field of fifteen competitors.

## National 20-Goal Tournament

George W. Wolpert

Winning got to be a habit for the Royal Palm Polo Club of Boca Raton, Fla., this season.

It would be the understatement of the season to say that Bert Beveridge's Royal Palms had a highly successful season at Uihlein Field, Milwaukee.

To use a favorite expression of the "Voice of Polo" here, Dae Shawl, who announces the matches, it was a "fabulous" season for the Palms who summured at Milwaukee.

They won the National 20 Goal Tournament championship for the second consecutive year, defeating Milwaukee Polo club 9-4 on Aug. 27, to end the season with nine wins against only one defeat. Capt. Bob Uihlein's Milwaukee club was the only one to score a victory over the Palms - 4-2 on June 11, in a rain-

shortened match that was called at the end of the fourth chukker.

It was an oddity, in a way, that Royal Palm and Milwaukee should have met in the finals of the 20 Goal, but that, literally, was where the fans came in at Uihlein Field this summer.

Milwaukee and the Palms started the season with a two-game series which was extended to five before new opponents were available. Obviously, from the record, Royal Palm took four of the five.

This was the sixth year that the U. S. Polo Association awarded Milwaukee the 20 Goal; other 20 goals were held at Uihlein Field in 1954 consecutively through 1957, and in 1960 when the Royal Palms won their first championship defeating the then defending 20 Goal champion, Circle F of Dallas, 6-4.

Five teams entered the tournament - Don Beveridge's Detroit Beavers (new name; formerly Detroit CCC); Leo Hulseman's Chicago Solo cup, Paul Butler's Oak Brook club of Hinsdale, Ill., the Royal Palms and Milwaukee.

## The Chronicle of the Horse

Milwaukee eliminated Solocup in the tournament opener, Aug. 13, 10-7, a match in which Julio Muller, led the Milwaukee attack with five goals; George Oliver came up with three; one apiece were scored by Capt. Uihlein and young Bob Colee, 22, youngest player in the contest who rode No. 1 for Milwaukee.

Billy Mayer and Del Carroll shared scoring honors for Solocup with three each, while Dick Bunn added the seventh. Capt. Hulseman went scoreless. Bunn scored in the opening 13 seconds, but Muller matched that at 2:11 on a penalty shot, and scored again at 4:35 on another penalty shot, and at 6:18 lofted his third goal from 30 yards. Oliver added one in the second and two in the third with Muller and Colee also scoring in the third to end the half with Milwaukee comfortably in front 8-2. Carroll tallied in the second; in the third, Solocup went scoreless.

A futile, but spirited rally was staged by Solocup in the second half, scoring five goals while hilding Milwaukee to two, but even with Milwaukee's defense and offense weakened by an injury suffered by Oliver, Solocup could not overcome Milwaukee's lead. Oliver was thrown when he reined up fast at goal to prevent a crossing at the same time attempting a save. He was out cold momentarily, but stayed in the game.

In the second flight played Aug. 20, the Royal Palms easily eliminated Oak Brook, 12-5. Everybody scored - Ray Harrington had five, four of them in a big third chukker; Bob Beveridge and Hugo Dalmar each scored three, and Poppa Bert added one. Cecil Smith with three goals and Col. Prem Singh of Jodhpur, India, with two, saved the Brooks from a rout. Tom Healy and Capt. Butler went scoreless.

The Detroit Beavers drew a bye and played Milwaukee in the semi-final mid-week match, Aug. 23. This was a close battle ending with Milwaukee the winner, 11-10 - and, but for the bell ending the match, this one might have been settled by sudden death.

Milwaukee piled up a big 7-2 lead in the first half and poured it on in the fifth with four more goals to seem safely ahead 10-6 as the game went into the sixth chukker. Then Detroit, encouraged when Capt. Beveridge outdistanced Milwaukee's Muller and scored a goal in the opening 23 seconds, closed the gap to within a goal of tying, and was in scoring position with big Harold Barry in possession of the ball and aiming at goal when the match ended.

In Detroit's "big sixth", Beveridge scored two, Barry, two. Barry and Muller shared scoring honors with five apiece. Beveridge came through with three as did Colee for Milwaukee, who performed the remarkable feat of scoring a goal in four shots the length of the field with Barry attempting to ride him out all the way. Oliver tallied one, Capt. Uihlein, two.

Friday, September 22, 1961

Wayne Brown and Clark Hetherington each came through with a goal for Detroit.

Milwaukee and the Royal Palm club played on even terms in the first half of the championship match, Aug. 27, with the Palms leading 4-3 at the end of the third, but Milwaukee fell apart in the second half scoring only one goal, while the Palms scored three in the fourth and two in the fifth; both teams went scoreless in the sixth. Harrington had another big score card in this important match, tallying four; Capt. Beveridge and son Bob, each racked up two and Dalmar, one. Oliver was top scorer for Milwaukee in this one, with three, with Muller adding the other.

The championship match was played in a drizzle. The field was slippery and dangerous, but there seemed to be no slackening of pace on either team, and there were many breathless moments for the spectators. To have postponed the match because of foul weather would have been a bitter disappointment to more than 4,000 fans who turned out, and stayed throughout the rain till the very end. Many crowded around the victorious Palms as Mrs. Robert Uihlein presented the players with their trophies and filled the cup of the trophy with champagne for the victors.

## Letters To The Editor

Continued from Page 2

sire line, he discussed it with me. His explanation for the disappearance of this sire line was the most reasonable that I, as an historian of the horse, have ever encountered. It was due, he believed, to the fact that there was such a strong feeling against in-breeding and line-breeding among the Kentuckians of the period, when all the best mares carried Lexington blood, rather close-up. These daughters of the Lexington line were not returned to sons of the Lexington line.

During the course of my work as historian and pedigree researcher for the American Quarter Horse Association, and from earlier observation and experience, I have always expressed the opinion that there are three families of horses that can be improved by in-breeding, and I think the performance records sustain me. Among the Thoroughbreds there is the Domino family; among the Standardbreds there is the Peter the Great family; and among the Quarter Horses there is the Joe Reed family. Joe Reed was by the Thoroughbred, Joe Blair, and was out of a Louisiana mare who was at least three-quarters Thoroughbred. Joe Blair was by Bonnie Joe and out of a mare by Bowling Green, he by \*King Galop, a son of Galopin. Bonnie Joe was by Faustus, and out of a daughter of Bonnie Scotland. Faustus was by Enquirer and out of a daughter of War Dance, he by Lexington. Joe Blair was quite a famed runner on the bush tracks in the West and on the Mexican courses in that period, which was the darkest that flat racing has ever known

in America.

While the Bonnie Joe sire line has disappeared from the Thoroughbred world, through Joe Blair and Joe Reed it is still quite a dominant factor in today's Quarter Horse breeding.

## First Things First

C. R. Mathys;

If you will teach the foal to "come here" before you halter break him you will be ahead. The Berry System, you know.

And to the fly editor, such switches may be made from cows tails that most any slaughter house will let you have for a few pennies. Be sure to cure them out with salt first.

You are welcome. Anytime.

### Atlantic City

The 9th running of The United Nations Handicap, on Sat., Sept. 16, at Atlantic City, produced a field of twelve for the one and three-sixteenths miles turf race for 3-yr.-olds and up, the added value was \$100,000.

Jockey Larry Gilligan rode Jacnot Stable's Oink to win by a nose over C. V. Whitney's Tompion. J. J. Fendrick's Art Market was third and Brae Burn Farm's Shirley Jones 4th. Dorchester Farm's favored Carry Back finished in seventh place. Oink paid over 27 dollars for one, which was a windfall to lucky bystanders around the winner's circle as Jack Hogan who owns the winner in partnership with his father O. T. Hogan followed his usual custom of handing out two dollar mutual tickets on his horse to track guards and bystanders. The elder Mr. Hogan is the chairman of the board of the United Insurance Company of American and his son is the president of the company.

Oink is a 4-year-old bay gelding, by To Market-Safari, by \*Jacopo, also bred by the late Mrs. G. L. Harrison. S. Ippolito trains the gelding. The net value of the purse was \$65,000 and Oink ran the 13/16 miles in 1.56 over a firm turf.

Fourteen 2-year-old fillies "bred in

Illinois" started in the 1st running of the \$10,000 added Illini Princess Stakes, a six and one-half furlongs test.

John E. Hughes homebred Island Belle, with R. Nono up, was the winner by two lengths over Sleepy Hollow Farm's Dorark. J. Stelle's Benton's April was third and W. J. Schmidt's Field Dust fourth. The winner ran the 6 1/2 furlongs in 1.20 4/5.

Island Belle is a bay filly, by Huesco, a Roman horse, out of Batavia Belle, by Spy Song, trained by G. L. Ballenger. She added \$8,875 to her earnings, for her third victory out of four tries.

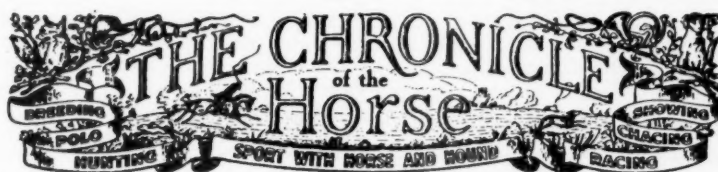

### Illinois Owners Handicap

Eleven started in The Illinois Owners Handicap on Sat., Sept. 16, at Hawthorne. The one and one-sixteenth miles race restricted to 3-yr.-olds and upwards, "the property of bona fide residents of Illinois at the time of closing," had a \$25,000 added value.

Mrs. Ada L. Rice's Talent Show was the favorite and jockey C. Meaux had to put on a fully extended stretch drive to dispose of Marilyn V. Landy's Natego, by a head. W. H. Bishop Stable's Salason was third and Spring Hill Farm's \*Tudorich 4th. The winner ran the 1 1/16 miles in 1.44 1/5.

Talent Show is a 6-year-old bay gelding, by Olympia-Royal Lily, by \*Bull Dog, bred by Danada Farm (Mrs. Ada L. Rice).

another of those tense things for the believers in Carry Backism. Though infidels passed through the crowd mumbling that no favorite had won a stakes affair during the meeting, the Carry Backists declared that the jinx was about to be broken - and went back to biting their fingernails.

Mr. Jack Price, high priest of the cult, saddled his horse and came into the walking ring with bleeding hands. He wasn't nervous, but he did not know how he had cut himself. That's the way it was all afternoon. Two favorites won, and people were cutting themselves without knowing how they did it.

Carry Back, well off the pace as is his wont, started to move over on the backstretch, but so did a lot of other horses, and the son of Saggy still was among a lot of other horses when Oink nosed out Tompon for the 65 G's.

Art Market, Shirley Jones (a girl horse), \*Wolfram and Intentionally also were in front of Carry Back at the end. Even at that, he was beaten only about four lengths and was giving from five to 16 pounds (on the scale) to his several rivals.

Mr. Jack Hogan, who owns the Jacnot Stable in partnership with his sire, Mr. O.T. Hogan, was jubilant in the winner's circle. This was because Jacnot Stable owns Oink.

## Cheerful Giver

In his ecstasy, Mr. Hogan handed out mutual tickets to strangers within reach. This is a practice he follows to make people bet on his horses. It is said that he has gained many rooters.

To the pressbox, Mr. Hogan sent champagne, which was a handsome gesture, but not as nice as giving tickets worth \$57.20 each. Many writers do not drink \$57 worth of champagne in a week.

Oink is by To Market, and as the term suggests three little pigs, the name is apropos if not particularly pleasing. The four-year-old colt's dam is Safari (by \*Jacopo) and he was bred by the late Mrs. G. L. Harrison. That lady had the distinction of also being the breeder of Cyane, which won the Futurity Stakes the same afternoon.

jump, Podarces did not respond to pressure and gave way quickly on the flat. The pair were far enough in front at the time and there was no danger for place, with \*Hurst Park coming in third eight lengths further back.

## F. A. Clark Has Winner

F. Ambrose Clark won a hurdle race on Monday, Sept. 11th by virtue of a little racing luck, in a contest that was a good one all the way, and fraught with excitement from the last jump to the wire. Making his second start over hurdles, this time at the longer distance of a mile and seven eighths, Albert Vanderbilt's Village Idiot, with Tommy Walsh again in the saddle, went to the lead shortly after the break with Walter Wickes' Navassa Light closest followed by \*My Hour 2nd, racing for Mrs. M. G. Walsh. Running and jumping in much improved fashion the Vanderbilt fencer still held command down the far side the second time. Midway down, Riles on Navassa Light chose to move up and engage Village Idiot for the lead and attained a narrow advantage at one point. However, Village Idiot came on again to gain a head lead, and the pair duelled in that fashion around the lower turn. Bending into the front stretch, Village Idiot started to shorten stride and Navassa Light went into a two length lead. Meanwhile, a tight knot of four or five were closing on the leading pair, including the eventual winner, Prince Fearless, on the outside under J. Mahoney. Navassa Light jumped the final hurdle in the clear and about two lengths in front. Village Idiot was next, but a stride later he quickly gave way and all but stopped in the path of those behind him. The eventual winner was clear of this trouble, but Prow, Royal Vision and \*My Hour 2nd were bothered in varying degrees and lost all chance. Out in front Prince Fearless slowly gained on the tiring Navassa Light, and just got up in the final stride to win by a neck. Three lengths away, Prow, racing for Mrs. L. S. Miller, was third, a length to the good of \*My Hour 2nd, which in turn was followed by Royal Vision and then Village Idiot.

starters. Contested over the 1 1/16 route, the opening race fell to B. C. Brittingham's Breakable. J. P. Kulzer's Haddecord was 2nd, 4 lengths behind the winner and a length in the van of H. V. Brown's Chalkey Lee. Ridden by Edwin Deveau, the winner was timed in 1:51 2/5.

## Other Races

Returned to flat racing after a foray over hurdles, Mrs. Walter F. Wickes, Jr.'s After Supper came from 5th at the head of the stretch to nose out the Coventry Rock Stable's \*Iberian 2nd at the wire in the 2nd race. In a very tight finish, Mrs. William Coxie Wright's Half Baked was 3rd, just a 1/2-length off the embattled leaders. Expertly handled by Evan Jackson, the 5-year-old mare negotiated the 7 furlongs over turf in 1:30 4/5.

Displaying the winning form he showed in the spring when racing for the Lazy F Ranch, \*Mantegna, now carrying the blue and yellow silks of Mrs. F. Eugene Dixon, Jr., easily captured the Center Square, a 1 5/8 miles hurdle handicap. Shouldering 146 pounds, composed mainly of Lester V. Graham, the French-bred gelding disposed of William S. Blakeley 3rd's Shining Bright over the 3rd hurdle and led for the balance of the trip to win by 3 lengths. Coming from 9th and last in the early stages, Montpelier's Kamsingot running over the last 4 hurdles in the flight of 8 to be 2nd, just a 1/2-length to the good of Shining Bright. In registering his 1st victory for Mrs. Dixon, \*Mantegna was timed in 2:56 2/5. Trainer

Joseph S. Nash did not witness the winning race as he was in New York preparing to fly to Ireland to attend the yearling sales on behalf of owner F. Eugene Dixon, Jr. The latter is chairman of the Rose Tree Fox Hunting Club's race committee, which will hold its 101st fall race meeting at the Media, Pa. club on Saturday, October 14.

A field of 11 maidens contested the Battleship, a 1 1/2 mile test over 7 hurdles and the concluding race on an excellent program. Closing well in the stretch to give Edwin Deveau his 2nd winner for the day, C. Mahlon Kline's Arctic Flow defeated Mrs. William C. Riker's \*Bampton Castle by 3/4's of a length. Closing with alacrity after leading over the 6th hurdle, the latter was just a nose in front of James P. Mills' \*Irish Tourist, who led over the final hurdle and faltered in the stretch run. A 3-year-old gelding by \*Arctic Prince-Adamantine, Arctic Flow graduated the maiden hurdle ranks in 2:47 3/5.

destruction by shooting, trapping and poisoning. Yet when foxes are killed in open violation of these laws, how few foxhunters are willing to come forward and see to it that the culprits are prosecuted and brought to justice.

This furtive and apologetic attitude, both toward other sportsmen and toward the public, is all the more difficult to understand in view of the fact that foxhunting has enormous eye appeal for the American people - witness the millions of Christmas and greeting cards, calendars, china, wallpaper and what have you, which are purchased every year.

Although activity in virtually all other horse sports has increased tremendously during the past 25 years, foxhunting racks along at just about the same old pace. The many problems which beset foxhunting today all had their counterparts during the last century, its so-called "Golden Age" - canals, railroads, drainage and barbed wire. It is forceful leadership which is now lacking - and that means all of us.

## VISIT TO SHENANDOAH DOWNS

Recently we took the lady who is the chancellor of the exchequer and the executive officer of our domicile to fairyland, where one can have nine dreams of wealth per night, not counting the daily double and the bonanza.

Our partner played the chalk margin and four of her place choices wound up in the winner's circle and two others in the spot where she picked them. Her loot did not amount to very much but it was better than the net result of our picking them to win. And after dining in the Starlight Terrace of the Charles Town, W. Va., track we can't be too bitter about our bad selections.

What do we think of night racing? Well, if this old globe is not shattered to bits in the near future, it's here to stay. M.R.

Confirmation of the Argentinian's appearance in this country was announced by Major General A. H. Stackpole, president of the Pennsylvania National Horse Show Association, 31 N. #### NEW PA. NATIONAL MANAGER

Willis G. Morrison of Carlisle, Pa., has been named manager of the Pennsylvania National Horse, it was announced by Maj. Gen. A. H. Stackpole, president of the show. Morrison, long a director of the Pennsylvania National, succeeds George A. Ebelhare of Pottstown, Pa., show manager for more than 10 years.

"The decision to retire from management of the show is Mr. Ebelhare's own and is regretfully accepted by the Board of Directors," Stackpole said. "Mr. Ebelhare first expressed a desire to retire two years ago but we were able to prevail upon him to remain in office at that time. During his tenure of office he has added immeasurably to the success of the operation and his presence will be sorely missed."

On Saturday, August 12th, the Valley-wide Saddle Club took their quietest horses and ponies up to Camp Lend-a-Hand, camp for crippled children, at Conneaut Lake, Pa., to give rides to the children. Also included on the program was an exhibition of obedience and trick dogs given by Harvey Osborne and Carol Junk of the Western Reserve Kennel Club. (Harvey a former greyhound trainer, is now trainer for the Seeing Eye School in N.J.). Maxine Wade's trick horse, Babe, was the hit of the show when she obediently layed down and played dead - for about 20 minutes! Maxine did everything but get down on her knees and plead with her, to get her up, and finally succeeded with a healthy swat. End of the trick horse act!

## National 20-Goal

### Tournament

Julio Muller, Mexico City scoring ace who led Milwaukee's attack against the Detroit Beavers in the National 20 Goal Tournament at Milwaukee, leaned far out of his saddle to reach this one. It looks as though all four feet of Muller's horse are off the ground. Muller paced Milwaukee's 11-10 victory with 5 goals. (L. to r.): are Capt. Don Beveridge of the Beavers, teammate Wayne Brown; Milwaukee's Bob Colee (1), Muller and Detroit's Clark Hetherington.

George Oliver of Milwaukee (No.3) stroked a neck shot to take possession of the ball in this action which shows the fury of the Milwaukee-Detroit Beaver game in the semi-finals of the National 20 Goal tournament. (L. to r.): Ray Harrington, Houston, Tex., referee; Oliver, Harold Barry, Detroit, Don Beveridge, Detroit Capt., Julio Muller, Milwaukee and Wayne Brown (2), Detroit.

This action during the Milwaukee-Detroit Beaver match in the semi-final of the National 20 Goal tournament at Uihlein Field, Milwaukee, shows Capt. Bob Uihlein in an attempt to ride Detroit's Wayne Brown off the ball. This was a mid-week match on Wed., Aug. 23. All other tournament games were played on Sunday.

The victor not only gets the trophies, but also the champagne. Bert Beveridge, captain of the Royal Palm Club of Boca Raton, Fla., enjoys a well-earned draught while his teammates await their sips after turning in a 9-4 win over Milwaukee to win the 1961 Twenty Goal title. Five teams were entered. The tournament started Aug. 13, ended Aug. 27. This was the second consecutive year Royal Palm won. Left to right are Bert Beveridge, son Bob, Mrs. Robert Uihlein, Jr., wife of the tournament host, Ray Harrington and Hugo Dalmar.
